

I am strongly opposed to the (CBA) Consumer Bankers Association's challenge to Indiana's Telephone Privacy law in a proceeding before the Federal Communications Commission (FCC).  
If I currently have a business relationship with a company,  
I can call them whenever I want their service,  
I don't need them, or want them, calling me and clogging  
my answering machine up with their sales schemes!  
Every body thinks THEIR STUFF doesn't stink, but stuff is stuff.
